# INTRODUCTION

RMP Holdings is a holding company comprising of a number of subsidiary companies spanning a number of industries such as imports and exports, business networking, business development, general marketing, digital marketing, freight and logistics, business branding, trading, business opportunities creation and training.

We have helped countless number of businesses to explore more and expand their visions. We started many companies from the ground up, assisted them to move from few customers to thousands reliable and sustainable customers. We continue helping businesses realize their full potential and find new ways to stay ahead of competition.

We trust and believe in our expertise as a conduit for all necessary business grooming tools and techniques.

# BACKGROUND

## WHO WE ARE

RMP Holdings is the holding company which embodies a group of subsidiary companies operating throughout Africa and globally in diverse business industries ranging from business networking, imports and exports, business opportunities and many more. We currently have offices and warehouses in South Africa and Namibia.

## WHERE WE COME FROM

RMP Holdings has its roots far back in the industry. We started over ten years back, and has grown to a large number of successful companies that are leaders in their specific markets. The CEO of the group Ricky Pillay has over 20 years' experience in business development, business networking, marketing, trading and has worked extensively within Africa and globally.

## VISION & MISSION

Our vision is to be a leader in the business networking industry, providing the highest quality service to our clients.

We aim to do our best to get it right the first time in assisting small, medium and corporate companies realize more channels to enlarge the scope of their visions and to explore fresh markets in order to grow their businesses further.

## ACHIEVEMENTS

We pride ourselves with a number of companies that we have assisted. We have taken small companies from ground level, introduced them to more customers and built quality business connections propelling exponential growth
